Allowable Subject Matter

Claims 1-6 are allowed.

The following is an examiner's statement of reasons for allowance: Prior art does not teach a hinge mechanism with (N-I) guides, (N-1) representing the fact that the mechanism can have three or four guides, are disposed in a manner such that the (N-I) locking members, again (N-1) representing the fact that hinge mechanism could have three or four locking members, that are associated with them move along (N-I) respective axes of displacement that coincide with (N-I) radial directions which intersect the pivot axis, and wherein the last guide is disposed in a manner such that the locking member that is associated with it moves along an axis of displacement that is parallel to and offset relative to a radial direction that intersects the pivot axis.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rodney B. White whose telephone number is (571) 272-6863. The examiner can normally be reached on Monday-Friday.
